

## **Secrets of Success of High Poverty/High Performing Schools**

### **Blueprint for improving student learning and reducing the achievement gap!**

National expert Dr. Robert Barr will present research-based programs, practices, and strategies aimed at improving student performance and reducing the achievement gap for poor and minority students. Participants will leave with a detailed student achievement improvement plan for their school. Participants are encouraged to bring teams of administrators and teachers.

#### **Topics will include:**

- *Overcoming obstacles to successful reform*
- *A proven process of school improvement*
- *Addressing the needs of poverty students*
- *Successful programs, practices, and strategies*
- *Specific examples of high poverty/high performing schools*
- *Work sessions will focus on identifying problems, setting goals, improvement strategies, and constructing a plan for improvement and monitoring progress*
